

FRA Parental Consent Process and Form for Junior Fell Runners 2023

Junior runners (those aged under 18 on the day of the race) must have the consent of their Parent or Legal Guardian before entering and taking part in an FRA Fell Race. This consent may be obtained either by the parent/guardian signing an event entry form on behalf of the runner, or by the use of the Parental Consent Form contained in this document. Completion of this form is not required for every event and it remains valid up to the 'Duration of Consent' date, or until revoked in writing.

The normal Event Entry Form (as issued by the Event Organiser) must also be completed for entry into any specific event, but need not be signed if the Parental Consent Form is available. See the Notes section for a full description of the acceptable process.

Notes

The purpose of this Parental Consent Form is to enable a parent or legal guardian to give consent for his/her child under 18 to participate in fell running activities. This may be for training sessions, particular specific events, or unspecified races over a defined period of time. It also provides medical and other information in case there should be an incident. The form is available from the FRA website and the FRA Fixtures Calendar & Handbook.

The original of the form should be retained by the parent/legal guardian. Copies may be given to the junior's fell running or athletic club and to any adult accompanying the junior at an activity. The Race Organiser will use the following approach on accepting entry of a junior runner:
